T. FOBBS

IN THE COURT OF COMMON PLEAS OF PHILADELPHIA COUNTY, PENNSYLVANIA – CIVIL TRIAL DIVISION

IN RE LIVENT CORPORATION SECURITIES LITIGATION

CIVIL ACTION

Consolidated Case No. 190501229

DECLARATION OF MICHAEL MCGUINNESS IN SUPPORT OF LEAD PLAINTIFFS' MOTION FOR AUTHORIZATION TO DISTRIBUTE NET SETTLEMENT FUND

I, MICHAEL MCGUINNESS, declare and state as follows:

1. I am a Project Manager for Epiq Class Action & Claims Solutions, Inc. ("Epiq"). The following statements are based on my personal knowledge and information provided by other Epiq employees working under my supervision and, if called on to do so, I could and would testify competently thereto.¹

2. Epiq was retained by Lead Counsel to serve as the Claims Administrator in connection with the Settlement of the above-captioned class action (the "Action"). By the Order Granting Preliminary Approval of Class Action Settlement, Approving Form and Manner of Notice, and Setting Date for Hearing on Final Approval of Settlement (the "Preliminary Approval Order"), the Court approved the retention of Epiq. As Claims Administrator, Epiq has, among other things: (i) mailed the Notice of Pendency of Class Action, Proposed Settlement, and Motion for Attorneys' Fees and Expenses (the "Notice") and the Proof of Claim and Release Form ("Claim Form" and together with the Notice, the "Claim Packet") to potential Settlement

¹ All defined terms used herein, unless otherwise defined, have the meanings set forth in the Stipulation and Agreement of Settlement, dated as of October 27, 2020 ("Stipulation"), which was previously filed with the Court.

Class Members and brokers and other nominees; (ii) created and continues to maintain a toll-free helpline for inquiries during the course of the administration; (iii) created and continues to maintain a case website and posted case-specific documents on it; (iv) caused the Summary Notice to be published; (v) provided, upon request, additional copies of the Claim Packet to

potential Settlement Class Members, brokers and other nominees; and (vi) received and

processed claims.

3. On April 26, 2021, the Court entered the Final Order and Judgment approving the

Settlement.

4. Epiq has completed the processing of 41,012 claims received as of February 23,

2023,² and hereby submits its administrative determinations accepting and rejecting those claims

in preparation for a distribution of the Net Settlement Fund to Authorized Claimants and in

support of Lead Plaintiffs' motion for authorization to distribute the Net Settlement Fund.

DISSEMINATION OF THE NOTICE

5. As more fully described in the previously filed Declaration of Michael

McGuinness Regarding: (A) Mailing of the Notice and Claim Form; (B) Publication of the

Summary Notice; and (C) Report on Requests for Exclusion and Objections, dated March 9,

2021, and the Supplemental Declaration of Michael McGuinness Regarding: (A) Mailing of the

Notice and Claim Form; and (B) Requests for Exclusion and Objections, dated April 7, 2021, as

of April 6, 2021, Epiq had mailed 94,320 Claim Packets to potential Settlement Class Members,

brokers and other nominees. Since that date, 1,003 additional Claim Packets have been mailed.

In total, Epiq has mailed 95,323 Claim Packets to potential Settlement Class Members, brokers

² Claims received after this date have been logged, but not processed, given that their processing

would have delayed the completion of the administration.

and other nominees that may have purchased Livent securities on behalf of Settlement Class Members.

6. Claim Packets that were returned by the Post Office as undeliverable were reviewed for updated addresses and, where available, new addresses were entered into the database and Claim Packets were mailed to the updated addresses.

PROCEDURES FOLLOWED IN PROCESSING CLAIMS

- 7. Under the terms of the Preliminary Approval Order and as set forth in the Notice, each Settlement Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to Epiq a properly executed Claim Form postmarked no later than May 8, 2021, together with adequate supporting documentation for the transactions and holdings reported therein.
- 8. Settlement Class Members, and their banks, brokers, and other nominees, seeking to share in the Net Settlement Fund were directed in the Claim Packet to submit their Claim Forms to the post office box address specifically designated for the Settlement, to submit Claim Forms online using the website for the Settlement, or to submit them to Epiq's team that handles large electronic claims (the "Securities Team"). Any correspondence received by the post office box was reviewed and, where necessary, appropriate responses were provided to the senders.
 - 9. Through February 23, 2023, Epiq has processed 41,012 claims.
- 10. In preparation for receiving and processing claims, Epiq: (i) conferred with Lead Counsel to define the project guidelines for processing claims; (ii) created a unique database to store Claim Form details and images of Claim Forms and supporting documentation; (iii) trained staff in the specifics of the project so that claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed

various computer programs and screens for entry of Settlement Class Members' identifying information, as well as their transactional information; and (vi) developed a proprietary "calculation module" that would calculate Recognized Claims pursuant to the Court-approved Plan of Allocation of the Net Settlement Fund set forth in the Notice.

PROCESSING PAPER AND ONLINE CLAIM FORMS

- 11. Of the 41,012 claims received by Epiq through February 23, 2023, 1,361 were paper claims that were mailed to Epiq and 643 were uploaded using the Settlement website.
- 12. Once received, paper claims were opened and prepared for scanning. This process included unfolding documents, removing staples, copying nonconforming sized documents, and sorting documents. This manual task of preparing the paper claims is very laborious and time-intensive. Once prepared, the paper claims were scanned into a database together with all submitted documentation.
- 13. Each Claim Form was assigned a unique "Claim Number." Once scanned or uploaded, the information from each Claim Form, including the claimant's name, address, account number/information from his, her or its supporting documentation, and the purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form, was entered into the database developed by Epiq to process claims submitted for the Settlement. Next, the documentation provided by each claimant in support of his, her or its Claim Form was reviewed to determine: (i) whether the claimant traded in Livent Corporation. ("Livent") publicly traded common stock during the relevant time period; (ii) whether the transaction information entered on the Claim Form was supported by documentation; (iii) that the claimant did not have any additional trades not reflected on his, her, or its Claim Form; (iv) that the name of the claimant matched the information on the trade documentation, or additional documentation was

provided to support any name changes; and (v) that the beneficial owner on the trade documentation, or a valid representative, was the person who signed the Claim Form.

In order to process the claims, Epiq utilized internal codes to identify and classify

14.

any deficiency or ineligibility conditions that existed within the claims. The appropriate codes were assigned to the claims as they were processed. For example, where a Claim Form was submitted by a claimant who did not have any eligible transactions in Livent common stock

during the relevant time period (e.g., the claimant purchased Livent common stock after the

relevant time period), that claim would receive a defect code that denoted ineligibility. Similar

defect codes were used to denote other ineligible conditions, such as duplicate claims. These

codes would indicate to Epiq that the claimant is not eligible to receive any payment from the

Net Settlement Fund with respect to that claim unless the deficiency was cured in its entirety.

15. Because a claim may be deficient only in part, but otherwise acceptable, Epiq also

utilized codes that were only applied to specific transactions within a claim. For example, if a

claimant submitted a Claim Form which, in addition to having eligible documented purchases,

also listed shares that were transferred into the account but supporting documentation

demonstrating that the transferred shares had been purchased during the relevant time period was

not provided, that transfer transaction would receive a transaction-specific defect code. That code

would indicate that the shares transferred into the account were not eligible, unless the defect

was cured, but that the claim was otherwise eligible for payment based on the other transactions.

Thus, even if the deficiency was never cured, the claim could still be partially accepted.

PROCESSING ELECTRONICALLY FILED CLAIM FORMS

16. Of the 41,012 claims received by Epiq through February 23, 2023, 39,008were filed electronically using a procedure tailored to large claimants ("Electronic Claims").

Electronic Claims are typically submitted by institutional investors who may have hundreds,

thousands or hundreds of thousands of transactions during the relevant time period. Rather than

provide reams of paper requiring data entry, the institutional investors filing Electronic Claims

either mail a computer disc or electronically submit a file to Epiq so that Epiq may electronically

upload all transactions to its proprietary database developed for the Settlement.

17. Epiq maintains a Securities Team to coordinate and supervise the receipt and

handling of all Electronic Claims. In this case, the Securities Team reviewed and analyzed each

electronic file to ensure that it was formatted in accordance with Epiq's required format, and to

identify any potential data issues or inconsistencies within the file. If any issues or

inconsistencies arose, Epiq notified the sender. If the electronic file was deemed to be in an

acceptable format, it was then loaded to Epiq's database.

18. Once a file was loaded, the Electronic Claim was coded to identify it as an

Electronic Claim and codes were applied to denote any deficiencies or ineligible conditions that

existed within the claim. These codes are similar to those applied to paper Claim Forms. In lieu

of manually applying codes, the Securities Team performed programmatic reviews on Electronic

Claims to identify deficient and ineligible conditions (such as, but not limited to, price per

share/net amount validation issues, out of balance conditions, and transactions outside the

relevant time period, etc.). The output was thoroughly verified and confirmed as accurate.

19. The review process also included flagging any Electronic Claims that were not

accompanied by a signed Claim Form, which serves as a "Master Proof of Claim Form" for all

accounts referenced on the electronic file submitted. This process was reviewed by Epiq's

Securities Team and, where appropriate, Epiq contacted the institutional filers whose electronic

6

claims were missing information. This ensures that all claims are submitted by properly

authorized representatives of the claimants.

20. Finally, at the end of the process, Epiq performed various targeted reviews of

Electronic Claims. Specifically, Epiq used criteria such as the calculated Recognized Claim

amounts and other criteria to flag and reach out to a number of electronic filers and request that

various sample purchases, sales and holdings selected by Epiq be further documented by

providing confirmation slips or other transaction-specific supporting documentation. These

targeted reviews help to ensure that electronic data supplied by claimants does not contain

inaccurate information. As set forth in ¶¶ 45 below, Epiq also performed additional quality

assurance reviews in connection with the largest claims.

EXCLUDED PERSONS

21. Epiq also reviewed all claims to ensure that they were not submitted by or on

behalf of persons and entities excluded from the Settlement Class by definition, to the extent that

the identities of such persons or entities were known to Epiq through the list of Defendants and

other excluded persons and entities set forth in the Stipulation and in the Notice, and through the

claimants' certifications on the Claim Forms.

ADDITIONAL COMPLEXITIES ENCOUNTERED IN CLAIMS PROCESSING

22. Many of the claims Epiq received were deficient or ineligible for one or more

reasons and, therefore, were subjected to the additional processing, correspondence and

telephonic communications described in the sections below entitled "The Deficiency Process"

and "Electronic Claim Reporting."

23. During the processing of claims, Epiq also encountered "non-conforming" claims,

which, in general, require significantly more work than ordinary claims because of the

7

information contained in or missing from the claim or the manner in which the Claim Form was completed. Non-conforming claims include, among other conditions, missing pages, no name or address, Claim Forms that are blank but submitted with documentation for Epiq to complete, and Claim Forms that are so materially deficient as to make what is being claimed unrecognizable.

THE DEFICIENCY PROCESS FOR PAPER AND ONLINE CLAIMS

24. Of the 2,004 paper and online claims received as of February 23, 2023, 1,445, or approximately 72% of them, were incomplete or had one or more defects or conditions of ineligibility, such as the Claim Form not being signed, not being properly documented, or indicating no eligible transactions in Livent common stock during the relevant time period. Much of Epiq's efforts in handling an administration involve claimant communications so that all claimants have a sufficient opportunity to cure any deficiencies and file a complete claim. The "Deficiency Process," which involved contacting claimants and responding to inquiries from claimants either by telephone or email, was intended to assist them in properly completing their otherwise deficient submissions so that they would be eligible to participate in the Settlement.

25. If a claim was determined to be defective or ineligible, a Notice of Deficient Claim Form Submission ("Deficiency Notice") was sent to the claimant describing the defect(s) or condition(s) of ineligibility in his, her or its claim and what was necessary to cure any "curable" defect(s) in the claim. The Deficiency Notice advised the claimant that the submission of the appropriate information and/or documentary evidence to complete the claim had to be sent within twenty (20) days from the date of the letter. The Deficiency Notice further advised that if the appropriate information was not submitted in this timeframe, the claim would be recommended for rejection to the extent the deficiency or condition of ineligibility was not cured. The Deficiency Notice also advised claimants that if they desired to contest the

administrative determination, they were required to submit a written statement to Epiq requesting

Court review of the determination and setting forth the basis for their request. Attached hereto as

Exhibit A is an example of a Deficiency Notice.

26. Claimants' responses to the Deficiency Notices were scanned into Epiq's database

and associated with the corresponding Claim Form. The responses were then carefully reviewed

and evaluated by Epiq's team of processors. If a claimant's response corrected the defect(s), Epiq

updated the database manually to reflect the change in status of the claim.

THE DEFICIENCY PROCESS FOR ELECTRONIC CLAIM REPORTING

27. Of the 39,008 electronic claims received, 33,792 were deficient or ineligible. As

to all Electronic Claims, Epiq contacted the banks, brokers, nominees and other filers who

submitted data electronically to confirm receipt of their submissions and Epiq notified the filer of

any deficiencies or Electronic Claims that were ineligible, where applicable. Using the following

process, Epiq provided Electronic Claim filers whose submissions were deficient with an email

attaching a Transaction Report that listed the specific Electronic Claims that were incomplete

along with a list of the specific portions of the claims that were incorrect or incomplete. With

respect to the Electronic Claims, the Transaction Reports:

(a) were sent electronically to filers who submitted deficient or ineligible

Electronic Claims;

(b) identified individual transactions and entire Electronic Claims that were

found to be deficient or ineligible so that the filer had the opportunity to correct the deficient

condition or contest the determination of ineligibility;

9

(c) stated that any deficient transactions or Electronic Claims that remain

uncured, as well as any transactions or Electronic Claims that were identified as ineligible on the

Transaction Report, were rejected;

(d) notified the filer that, within 20 days, it could, on behalf of the claimant,

request that the Court review Epiq's administrative determination if it wished to contest the

rejection of any transactions or Electronic Claims; and

(e) provided Epiq's contact information so that the filer could contact Epiq if

it had any questions or required assistance.

28. The responses to the Transaction Reports were reviewed by Epiq's Securities

Team, scanned and/or loaded into Epiq's database, and were associated with the corresponding

Electronic Claim. If the response corrected the defect(s) or affected the Electronic Claim's status,

Epiq manually and/or programmatically updated the database to reflect the change in status of

the Electronic Claim.

29.

DISPUTED CLAIMS THAT SOUGHT JUDICIAL REVIEW

As noted above, claimants and electronic filers were advised that they had the

right to contest Epiq's administrative determination of deficiencies or ineligibility within twenty

(20) days from the date of notification and that they could request that the dispute be submitted

to the Court for review. More specifically, such persons and entities were advised in the

Deficiency Notice or the Transaction Reports that if they disputed Epiq's determinations, they

had to provide a statement of reasons indicating the grounds for contesting the rejection, along

with supporting documentation.

30. Epiq received ten requests for the Court to review Epiq's administrative

determinations. In an attempt to resolve the issues without the Court's intervention, Epiq

10

contacted all of the claimants requesting Court review in order to answer all of their questions,

fully explain Epiq's determination of the claim's status, and facilitate the submission of missing

information or documentation, where applicable. As a result of these efforts, eight claims for

which Court review had been requested have either been cured or the request for Court review

has been retracted.

31. Two requests for Court Review have not been resolved or retracted. Disputed

Claim No. 1 (Claim No. 1027) failed to report any eligible purchases during the relevant time

period of October 11, 2018 through May 13, 2019. Disputed Claim No. 2 (Claim No.

800000592) has been identified as questionable and the claimant failed to provide curative

information. As described above, both claimants were advised in writing of his or her rights and

the reasons why the claims were denied. Exhibit B contains copies of the claim submissions and

related communications, which have been redacted to protect confidential information. The

Court-approved Plan of Allocation appears at pages 11-13 of the Notice, which is attached hereto

as Exhibit C.

32. Disputed Claim No. 1 (Claim No. 1027) does not have any eligible purchases

during the relevant time period. A Claim Form was submitted showing only a holding position of

380 shares of Livent common stock as of October 26, 2020. A Deficiency Notice was sent to the

claimant explaining the claim did not contain any eligible purchases, and there was a trade

discrepancy due to missing transactions. In response to the Deficiency Notice, the claimant

provided a revised Claim Form showing a purchase of Livent common stock on March 4, 2019,

and a holding of 380 shares as of October 26, 2020. However, the documentation submitted with

the revised Claim Form shows that the 380 shares of Livent common stock were received on

March 4, 2019 as a result of a Stock Spinoff in connection with 407.23981 shares of FMC Corp.

11

Case ID: 190501229

The shares were not acquired in Livent's IPO. Accordingly, the claim remains rejected because the claimant did not have any eligible purchases. Accordingly, Epiq recommends the rejection of Claim No. 1027.

- 33. Disputed Claim No. 2 (Claim No. 800000592) is recommended for rejection because it is a high value claim with insufficient supporting documentation, filed by a claimant with a history of filing unsubstantiated high value claims.
- 34. The claimant submitted an electronic claim reflecting the following transactions in Livent common stock:
 - 50,000 shares purchased on October 12, 2018, at \$17.12 for a cost of \$856,000
 - 50,000 shares purchased on October 31, 2018, at \$15.27 for a cost of \$763,500
 - 10,000 shares purchased on November 29, 2018, at \$18.40 for a cost of \$184,000
 - 25,000 shares purchased on December 19, 2018, at \$14.54 for a cost of \$363,500
 - 25,000 shares purchased on February 1, 2019, at \$12.60 for a cost of \$315,000
 - 30,000 shares purchased on December 27, 2019, at \$12.90 for a cost of \$387,000
 - 40,000 shares sold on May 14, 2019 at \$7.67 for a proceed of \$306,800
 - 55,000 shares sold on May 23, 2019 at \$6.40 for a proceed of \$352,000
 - 85,000 shares sold on May 31, 2019 at \$6.80 for a proceed of \$578,000
- 35. The claimant initially submitted only a self-generated spreadsheet listing the transactions in Livent common stock. On July 23, 2021, Epiq mailed a Deficiency Notice to the claimant advising that the spreadsheet submitted to support the transactions was inadequate. The claim was also flagged by Epiq's team that reviews high value, complicated, and/or potentially fraudulent claims that require additional documentary evidence of the transactions.
- 36. As the Court-Appointed Claims Administrator, Epiq takes seriously its responsibility to protect the integrity of the claims process. Therefore, it follows comprehensive procedures for verifying high-value claims, which often require the production of additional documentary evidence by a claimant, including, but not limited to, confirmation by a broker or custodian.

37. On August 31, 2021, the claimant emailed trade confirmations from TD Direct

Investing for Epiq's consideration. After Epiq received the claimant's trade confirmations, it also

requested that the claimant authorize TD Direct Investing to speak with Epiq directly in order to

verify the claimant's transactions, given the nature of the claim and its high-value. Epiq received

an authorization letter from the claimant on October 17, 2021.

38. Epiq contacted TD Direct Investing and was referred to TD Wealth Shared

Services. Epiq attempted to verify the trading data with TD Wealth Shared Services, however,

TD reported that the account had no record of any of the transactions claimed by the claimant.

39. On January 12, 2022, the claimant sent an email to Epiq requesting an update on

the status of the claim. Epiq advised the Clamant that TD Wealth Shared Services had no record

of the claimant's claimed transactions and that the claimant's claim remained denied. On January

28, 2022, the claimant requested proof of the communication with TD Wealth Shared Services,

which Epiq provided together with a reminder about the procedure for requesting Court review.

On March 9, 2022, the claimant contacted Epiq by email and requested Court review, but did not

provide any additional information.

40. To protect the Settlement Class and to ensure that only valid claims are paid, Epiq

cannot approve Disputed Claim No. 2 because it could not be verified as genuine and accurate.

Accordingly, Epiq recommends that the Court deny this claim.

LATE BUT OTHERWISE ELIGIBLE CLAIM FORMS

41. Through February 23, 2023, Epiq received 1068 claims that were postmarked or

received after the May 8, 2021 claim submission deadline established by the Court. Epiq has

fully processed these claims. Of the late claims, 185 have been found to be otherwise eligible in

whole or in part (the "Late But Otherwise Eligible Claims"). Epiq believes that no delay has

13

resulted from the provisional acceptance of these Late But Otherwise Eligible Claims. To the extent they are eligible but for the fact that they were late, they are recommended herein for payment.

42. However, there must be a final cut-off date after which no more claims will be accepted so that there may be a proportional distribution of the Net Settlement Fund and the distribution may be accomplished. Accordingly, as requested in the accompanying motion papers, Epiq recommends that the Court order that no Claim Form received after February 23, 2023 be eligible for payment.

QUALITY ASSURANCE

43. An integral part of all of Epiq's settlement administration projects is its Quality Assurance review. This process is also labor intensive and time consuming. Specifically, Epiq's personnel worked throughout the entire administration to ensure that claims were processed properly; that deficiency and ineligibility message codes were properly applied to claims; that deficiency notices were mailed to the appropriate claimants; and that Epiq's computer programs were operating properly.

44. In support of the work described above, Epiq staff designed, implemented and tested the following for this administration: (i) data entry screens to organize claim information (including all transactional data included in each claim and in any supporting documentation), attach message codes and, where necessary, apply text to denote conditions existing within the claim; (ii) screens for the analyst to review images of the Claim Form and any supporting documentation provided; (iii) programs to load and analyze transactional data submitted electronically for all Electronic Claims (a load program converts the data submitted into the format required by the calculation program, and an analysis program determines if the data is

consistent and complete); (iv) a program to compare the claimed transaction prices against the

reported market prices to confirm that the claimed transactions were within an acceptable range

of the reported market prices; (v) a calculation program to analyze the transactional data for all

claims, and calculate the Recognized Claims based on the Court-approved Plan of Allocation;

and (vi) programs to generate various reports throughout and at the conclusion of the

administration, including lists of all eligible and ineligible claims.

45. Epiq's Securities Team performed a final quality control check once all of the

accepted claims were processed, deficiency notices were mailed, and deficiency responses were

reviewed and processed, to ensure the correctness and completeness of all of the processed

claims before Epiq prepared its final reports to Lead Counsel. Here, in connection with this

Quality Assurance wrap-up, Epiq: (i) confirmed that claims that are recommended for approval

have no messages denoting ineligibility; (ii) confirmed that claims that are recommended for

rejection have messages denoting ineligibility; (iii) confirmed that all claims requiring

"deficiency" notices were sent such notices; (iv) performed a sample secondary review of

deficient claims; (v) reviewed a sampling of claims with high Recognized Claim amounts to

confirm Epiq's determinations; (vi) sampled claims that had been determined to be ineligible,

including those with no Recognized Claim according to the Plan of Allocation, in order to verify

that all transactions had been captured correctly; and (vii) retested the accuracy of the calculation

program.

46. As part of its due diligence in processing the claims, Epiq also conducted a

Questionable Claim Filer search of all claims submitted in the Settlement as follows. Epiq

maintains a database of known questionable filers. This database contains names, addresses, and

aliases of individuals who have been investigated by government agencies for fraudulent claim

15

Case ID: 190501229

filing, as well as those compiled from previous settlements that Epiq has administered where fraudulent claims were received. Epiq updates its database on a regular basis. The database for the Settlement was searched for all individuals identified in our Questionable Claim Filer Database. In addition, all of Epiq's claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by claimants not previously captured in our database as Questionable Claim Filers.

47. One questionable claim, Disputed Claim No. 2, was identified and it has been rejected for failure to provide curative information, as explained above.

DISPOSITION OF CLAIMS

- 48. Epiq has completed the processing of 41,012 claims and has determined that 5,564 are acceptable in whole, 3,057 are acceptable in part, and that 32,391 should be wholly rejected because they are either ineligible, wholly deficient, or have no Recognized Claim when calculated in accordance with the Court-approved Plan of Allocation.
- 49. The 32,391 wholly rejected claims are recommended for rejection by the Court for the following reasons:

	Number of <u>Claims</u>
Reason for Rejection	
No Eligible Purchases During the Relevant Time Period	30,456
Claim Did Not Result in a Recognized Claim	1,152
Deficient Claim with Condition of Ineligibility Never Cured	213
Duplicate Claim	53
Claim Withdrawn/Voided	517

TOTAL 32,391

50. A list of the claims received through February 23, 2023 and Epiq's recommendations as to their disposition is contained in the Administrator's Report attached hereto as Exhibit D. Exhibit D-1, entitled "Timely Eligible Claims," lists all timely filed, accepted claims, and states their Recognized Claim amounts. Exhibit D-2, entitled "Late But Otherwise Eligible Claims," lists all late filed, accepted claims, and states the amount of their Recognized Claims. Exhibit D-3, entitled "Rejected Claims," lists all wholly rejected claims, and states the reason for their rejection. For privacy reasons, Exhibit D provides only the claimant's

Claim Number and Recognized Claim amount or reason for rejection (no names, addresses,

Taxpayer ID, or Social Security Numbers are disclosed).

- 51. Epiq has determined that 8,621 claims should be accepted. The claims recommended for acceptance represent total Recognized Claims of \$451,969,188.75 under the Court-approved Plan of Allocation. Of that total, \$439,919,708.82 is for Timely Eligible Claims (*see* Exhibit D-1) and \$12,049,479.93 is for Late But Otherwise Eligible Claims (*see* Exhibit D-2).
- 52. According to the Court-approved Plan of Allocation, each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her or its Recognized Claim in comparison to the total Recognized Claims of all Authorized Claimants. Upon approval by the Court, Epiq will prepare and mail checks (or wire transfers where applicable) to Authorized Claimants for their payment amount, subject to the provisions of the distribution plan set forth below.

17

FEES AND DISBURSEMENTS

53. Epiq agreed to be the Claims Administrator in exchange for payment of its fees

and expenses. Lead Counsel received regular reports of and invoices for all of the work Epiq

performed with respect to provision of notice and administration of the Settlement, and

authorized the claims administration work performed herein.

54. The cost of the administration of the Settlement through September 30, 2023,

totals \$551,615.64, which has been paid to Epiq pursuant to the terms of the Settlement. Epiq's

estimate of its fees and expenses to conduct the initial distribution of the Net Settlement Fund is

\$30,564.13. See Exhibit E. Should the estimate of fees and expenses to conduct the initial

distribution exceed actual fees and costs, Epiq shall refund the difference to the Settlement Fund

once the initial distribution is completed.

DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND

55. Should the Court concur with Epiq's determinations concerning the accepted and

rejected claims, including the Late But Otherwise Eligible Claims, Epiq recommends the

following distribution plan (the "Distribution Plan"):

(a) Epiq will conduct an initial distribution (the "Initial Distribution") of the

Net Settlement Fund, after deducting the payments previously allowed and requested in Lead

Plaintiffs' motion, and after payment of any Taxes, the costs of preparing appropriate tax returns,

and any escrow fees as follows:

(i) Epiq will calculate award amounts to all Authorized Claimants by

calculating their pro rata share of the Net Settlement Fund in accordance with the Plan of

Allocation.

18

(ii) Epiq will, pursuant to the terms of the Plan of Allocation, eliminate from the distribution any Authorized Claimant whose *pro rata* share of the Net Settlement Fund as calculated under subparagraph (a)(i) above is less than \$10.00. Such claimants will not receive any distribution from the Net Settlement Fund and Epiq will send letters to those Authorized

(iii) After eliminating claimants who would have received less than \$10.00, Epiq will re-calculate the *pro rata* share of the Net Settlement Fund for Authorized Claimants who would have received \$10.00 or more pursuant to the calculations described in subparagraph (a)(i) above and issue payments to Authorized Claimants ("Distribution Amount").

(iv) In order to encourage Authorized Claimants to promptly deposit their payments, all distribution checks will bear a notation "DEPOSIT PROMPTLY, VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT NEGOTIATED WITHIN 120 DAYS OF ISSUE DATE." ³

Claimants advising them of that fact.

_

³ Authorized Claimants will be informed that, if they do not cash their distribution checks within the 120 days from the mail date, or they do not cash check reissues within 30 days of the mailing of such reissued check, their check will lapse, their entitlement to recovery will be irrevocably forfeited and the funds will be re-allocated to other Authorized Claimants. For Authorized Claimants whose checks are returned as undeliverable, Epiq will endeavor to locate new addresses through reasonable methods. Where a new address is located, Epiq will update the database accordingly and re-issue a distribution check to the Authorized Claimant at the new address. In the event an Authorized Claimant loses or damages his, her or its check, or otherwise requires a new check, Epiq will issue replacements. Distribution re-issues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. Additional outreach is performed by claims specialists on all returned wires or any high-value uncashed checks. For all checks, Epiq will void the initial payment prior to re-issuing a payment. In order not to delay further distributions to Authorized Claimants who have timely cashed their checks, Epiq's outreach program described in the preceding sentences shall end 30 days after the initial void date. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than 45 days prior to the next planned distribution. Requests for reissued checks in connection with the Second Distribution and any subsequent distributions will be handled in the same manner.

(v) Authorized Claimants who do not cash their Distribution checks

within the time allotted or on the conditions set forth in footnote 4 will irrevocably forfeit all

recovery from the Settlement. The funds allocated to all such stale-dated checks will be available

to be re-distributed to other Authorized Claimants in the second distribution, as discussed below.

Similarly, Authorized Claimants who do not cash their second or subsequent distributions

(should such distributions occur) within the time allotted or on the conditions set forth in

footnote 4 will irrevocably forfeit any further recovery from the Net Settlement Fund.

(b) After Epiq has made reasonable and diligent efforts to have Authorized

Claimants cash their Distribution checks, which efforts shall consist of the follow-up efforts

described in footnote 4, but no earlier than six (6) months after the initial Distribution, Epiq will

conduct a second distribution of the Net Settlement Fund (the "Second Distribution"), in which

any amounts remaining in the Net Settlement Fund after the initial Distribution, after deducting

Epiq's fees and expenses incurred in connection with administering the Settlement for which it

has not yet been paid (including the estimated costs of such Second Distribution), and after the

payment of any Taxes, the costs of preparing appropriate tax returns, and any escrow fees, will

be distributed in an equitable and economic fashion to all Authorized Claimants in the Initial

Distribution who cashed their Distribution check. Additional re-distributions, after deduction of

costs, expenses, and Taxes as described above, may occur thereafter, in an equitable and

economical fashion, until Lead Counsel, in consultation with Epiq, determines that further re-

distribution would not be cost-effective.

(c) In order to allow a final distribution of any funds remaining in the Net

Settlement Fund after the distributions described above, whether by reason of returned funds, tax

refunds, interest, uncashed checks, or otherwise:

20

(i) As such time as Lead Counsel, in consultation with Epiq,

determines that further redistribution of the funds remaining in the Net Settlement Fund is not

cost-effective, if sufficient funds remain to warrant the processing of Claim Forms received after

February 23, 2023, such claims will be processed, and any such late claims that are otherwise

valid will be paid, after deduction of costs, expenses, and Taxes as described above.

(ii) If any funds shall still remain in the Net Settlement Fund after

payment of such late claims, or if there are no such claims or there are insufficient funds

remaining to warrant the processing of such late claims, then after payment of any unpaid costs,

expenses, and Taxes as described above, the unclaimed balance in the Net Settlement Fund shall

be contributed as follows: 50% of the unclaimed balance to the Pennsylvania Interest on Lawyers

Trust Account Board and 50% of the unclaimed balance to the Consumer Federation of America,

a private, non-profit, non-sectarian 501(c)(3) organization, as previously approved by the Court.

(d) Except as set forth above, no new Claim Forms may be accepted after

February 23, 2023.

(e) Unless otherwise ordered by the Court, one year after the Second

Distribution, Epiq will destroy the paper copies of the Claim Forms and all supporting

documentation, and one year after all funds have been distributed, Epiq will destroy electronic

copies of the same.

CONCLUSION

56. Epig respectfully submits this declaration in support of Lead Plaintiffs' motion for

approval of Epiq's administrative determinations accepting and rejecting the claims submitted,

and approving the proposed Distribution Plan. Epiq further respectfully submits this declaration

in support of payment of its fees and expenses for completing the initial Distribution.

21

I declare under the penalty of perjury under the laws of the United States that the foregoing is true and correct.

Notice of Incomplete Proof of Claim Submission

Dear Claimant:

We received the Proof of Claim and Release Form ("Claim") that you submitted in connection with the publicly traded common stock of Livent Corporation ("Livent" or the "Company") class action Settlement. We have determined, based on our review of your Claim, that the Claim is deficient (which is curable) or ineligible for the reason(s) identified below. In order to resolve the condition(s) within your Claim, you must submit a written response (with any required documentation), as specified below, postmarked no later than 20 days from the date of this notice. Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those conditions remain uncured. PLEASE NOTE: This is the only notice you will receive with respect to this Claim and you will not be notified if the additional information you provide fails to cure the conditions referenced below.

<u>Ineligibility Condition:</u> No Class Period Purchases/Acquisitions (No Eligible Transactions).

The Claim referenced above did not contain any eligible purchases/acquisitions of Livent Securities Common Stock during the Class Period (i.e., October 11, 2018, through May 13, 2019, both dates inclusive). Unless you had additional purchases/acquisitions of Livent Securities Common Stock during the Class Period that were not reflected in your original Claim, this is NOT a curable deficiency.

<u>How to Resolve</u>: You can resolve this condition of ineligibility by submitting additional purchases/acquisitions of Livent Securities Common Stock during the Class Period that were not previously reflected in your Claim and by submitting acceptable supporting documentation of those purchases/acquisitions or sales. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

PLEASE NOTE: Curing this condition of ineligibility is an absolute requirement in order for your Claim to be eligible to participate in the Settlement. If you have other deficiencies and cure them, your Claim still will not be eligible, even for "partial acceptance," unless this deficiency is cured. Once you resolve this condition of ineligibility, your Claim must calculate to a Recognized Loss under the Plan of Allocation in order for you to be eligible to receive a distribution.

Deficiency: Received Shares/Transfers.

You listed trades on your Claim that are transfers of securities and not open market transactions.

<u>How to Resolve:</u> In order for the Livent Securities Common Stock transferred into your account to factor into the calculation of your Recognized Loss under the Plan of Allocation, you must provide documentation to show that the Livent Securities Common Stock you received were purchased during the Class Period between October 11, 2018, and May 13, 2019, both dates inclusive.

PLEASE NOTE: All Livent shares Received from the March 1, 2019 FMC Spin-off are not eligible for the Livent Securities Settlement because they were not purchased or acquired pursuant to the Company's Offering Materials for its initial public Offering that commenced on October 11, 2018. The Received shares defect associated with the Spin-off does not need to be cured and you do not need to respond to this deficiency notice.

PLEASE NOTE: If you do not have additional documentation, or if you want the transferred Livent Securities Common Stock to be used to balance your Claim only, you do not need to respond to this deficiency. If you do not respond, the transferred shares will be rejected, along with any corresponding transaction(s), according to First-In, First-Out ("FIFO") matching, and such shares and corresponding transactions will not be considered in the calculation of your Claim's Recognized Loss pursuant to the Plan of Allocation. Your Claim will still be processed to the extent otherwise eligible as a partial Claim.

The specific transaction(s) for which this information is required is (are) listed in the chart below.

Date	Type of Security	Type of Transaction	Quantity	
03/06/2019	Common Stock	Received Shares	42.00	

To resolve any of the conditions listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Loss under the Court-approved Plan of Allocation set forth in the Notice to be included in the list of eligible Claims. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us postmarked no later than 20 days from the date of this notice. Your letter must (1) include a copy of this notice; (2) specifically state that you request Court review of the full or partial rejection of the Claim; (3) state the reasons you are contesting the full or partial rejection of the Claim; and (4) include any and all documentation supporting your argument(s). PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM AND WISH TO HAVE THE COURT REVIEW YOUR CLAIM.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above. More information can also be found at www.LiventSecuritiesSettlement.com.

Sincerely,

Livent Securities Settlement Claims Administrator

Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those conditions remain uncured. PLEASE NOTE: This is the only notice you will receive with respect to this Claim and you will not be notified if the additional information you provide fails to cure the conditions referenced below.

<u>Ineligibility Condition:</u> No Class Period Purchases/Acquisitions (No Eligible Transactions).

The Claim referenced above did not contain any eligible purchases/acquisitions of Livent Securities Common Stock during the Class Period (i.e., October 11, 2018, through May 13, 2019, both dates inclusive). Unless you had additional purchases/acquisitions of Livent Securities Common Stock during the Class Period that were not reflected in your original Claim, this is NOT a curable deficiency.

How to Resolve: You can resolve this condition of ineligibility by submitting additional purchases/acquisitions of Livent Securities Common Stock during the Class Period that were not previously reflected in your Claim and by submitting acceptable supporting documentation of those purchases/acquisitions or sales. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

PLEASE NOTE: Curing this condition of ineligibility is an absolute requirement in order for your Claim to be eligible to participate in the Settlement. If you have other deficiencies and cure them, your Claim still will not be eligible, even for "partial acceptance," unless this deficiency is cured. Once you resolve this condition of ineligibility, your Claim must calculate to a Recognized Loss under the Plan of Allocation in order for you to be eligible to receive a distribution.

<u>Deficiency:</u> Trade Discrepancy/Claim Does Not Balance.

There is a discrepancy between the number of shares of Livent Common Stock purchased/acquired, sold, and the number of shares held during the period between October 11, 2018, through October 26, 2020, both dates inclusive.

How to Resolve: You must provide any missing transactions, missing beginning or unsold holdings, or adjustments to your Claim so that it correctly balances. You must also support any additional transactions with acceptable documentation. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

PLEASE NOTE: If you fail to respond, or to the extent your response fails to cure the deficiency identified, the transaction(s) that relate(s) to the discrepancy will be rejected according to First-In, First-Out ("FIFO") matching, and the transaction(s) will not be considered in the calculation of your Claim's Recognized Loss pursuant to the Plan of Allocation. Your Claim will still be processed to the extent otherwise eligible as a partial Claim.

The formula used to calculate the discrepancy is as follows: Shares Held at the Beginning of the Class Period + All Shares Purchased or Acquired – All Shares Sold or Delivered – Unsold Shares as of October 26, 2020. This calculation should equal zero for a Claim to properly balance if all transactions and holdings have been accurately reported. The discrepancy in your Claim is displayed below.

Quantity	Type of Transaction	Type of Securities
-380.00	Holding Difference 10/26/2020	Common Stock

To resolve any of the conditions listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Loss under the Court-approved Plan of Allocation set forth in the Notice to be included in the list of eligible Claims. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us postmarked no later than 20 days from the date of this notice. Your letter must (1) include a copy of this notice; (2) specifically state that you request Court review of the full or partial rejection of the Claim; (3) state the reasons you are contesting the full or partial rejection of the Claim; and (4) include any and all documentation supporting your argument(s). PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM AND WISH TO HAVE THE COURT REVIEW YOUR CLAIM.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above. More information can also be found at www.LiventSecuritiesSettlement.com.

Rate of Return (continued)

Your Personal Rate of Return: Your Personal Rate of Return measures the investment performance of your account. It incorporates the timing of your additions and withdrawals and reflects commissions and fees paid. Reviewing Your Personal Rate of Return is important to help ensure you're on track to achieving your financial goals.

The performance of your investments is tracked since they have been held in the current account, but no earlier than Jan.1, 2009. This also includes investments you owned during this time period but have since sold. Certain events, including a transfer of an investment between accounts, share class conversion, or change in an investment's identification code (CUSIP) caused by a corporate action, will impact the time frame over which the investment's rate of return is calculated.

Information used to calculate performance may have been obtained from third parties and Edward Jones cannot guarantee the accuracy of such information.

Notice of Incomplete Proof of Claim Submission

Dear Claimant:

We received the Proof of Claim and Release Form ("Claim") that you submitted in connection with the publicly traded common stock of Livent Corporation ("Livent" or the "Company") class action Settlement. We have determined, based on our review of your Claim, that the Claim is deficient (which is curable) or ineligible for the reason(s) identified below. In order to resolve the condition(s) within your Claim, you must submit a written response (with any required documentation), as specified below, postmarked no later than 20 days from the date of this notice. Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those conditions remain uncured. PLEASE NOTE: This is the only notice you will receive with respect to this Claim and you will not be notified if the additional information you provide fails to cure the conditions referenced below.

<u>Deficiency:</u> No Proof of Unsold (Ending) Holdings.

Your Claim indicates that you may have held Livent Securities Common Stock as of the close of trading on October 26, 2020; however, you did not provide any documentation showing your unsold (ending) holdings.

How to Resolve: You must provide acceptable documentation for holdings as of the close of trading on October 26, 2020. Acceptable documentation will show the possession of the, Livent Securities Common Stock on or after this date or the sale of, Livent Securities Common Stock after this date. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

Ineligibility Condition: Inadequate Documentation.

The Claim referenced above sets forth Class Period purchases/acquisitions of, Livent Securities Common Stock, but none of the documentation previously provided was deemed adequate.

<u>How to Resolve:</u> You can resolve this condition of ineligibility only by submitting acceptable documentation to support your Claim, including all transactions, and holding amounts set forth in the Claim. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.) Please note: Do not merely resubmit the same documentation, as it was deemed deficient. You will need to provide additional documentation to cure the deficiency in your Claim.

PLEASE NOTE: Curing this condition of ineligibility in its entirety or in part is an absolute requirement in order for your Claim to be eligible to participate in the Settlement. If the deficiency is only cured in part, the Claim will be calculated based on the transactions for which acceptable documentation was submitted. If you have other deficiencies and cure them, your Claim still will not be eligible, unless this deficiency is cured at least in part and, to the extent that it is cured, it calculates to a Recognized Loss under the Plan of Allocation.

To resolve any of the conditions listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Loss under the Court-approved Plan of Allocation set forth in the Notice to be included in the list of eligible Claims. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us postmarked no later than 20 days from the date of this notice. EXHIBIT C

IN THE COURT OF COMMON PLEAS OF PHILADELPHIA COUNTY, PENNSYLVANIA – CIVIL TRIAL DIVISION

IN RE LIVENT CORPORATION SECURITIES LITIGATION

CIVIL ACTION

Consolidated Case No. 190501229

NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED SETTLEMENT, AND MOTION FOR ATTORNEYS' FEES AND EXPENSES

If you purchased or otherwise acquired the publicly traded common stock of Livent Corporation ("Livent" or the "Company") pursuant and/or traceable to the Company's Offering Materials for its initial public offering, commenced on October 11, 2018, of 23,000,000 shares, you may be entitled to a payment from a class action settlement.

A court authorized this Notice. This is not a solicitation from a lawyer.

- The purpose of this Notice is to inform you of the pendency of this securities class action (the "Action"), the proposed settlement of the Action (the "Settlement"), and a hearing to be held by the Court to consider: (i) whether the Settlement should be approved; (ii) whether the proposed plan for allocating the proceeds of the Settlement (the "Plan of Allocation") should be approved; and (iii) Lead Counsel's application for attorneys' fees and expenses. This Notice describes important rights you may have and what steps you must take if you wish to participate in the Settlement, wish to object, or wish to be excluded from the Settlement Class.
- If approved by the Court, the Settlement will create a \$7.4 million cash fund, plus earned interest, for the benefit of eligible Settlement Class Members, before the deduction of attorneys' fees and expenses awarded by the Court, Notice and Administration Expenses, and Taxes. This is an average recovery of approximately \$0.09 per allegedly damaged share, before these deductions.
- The Settlement resolves claims by Lead Plaintiffs Plymouth County Retirement Association and Gary Bizarria that have been asserted on behalf of the Settlement Class (defined below) against Livent, Paul W. Graves ("Graves"), Gilberto Antoniazzi ("Antoniazzi"), Nicholas L. Pfeiffer ("Pfeiffer"), Pierre R. Brondeau ("Brondeau"), Andrea E. Utecht ("Utecht" and, together with Graves, Antoniazzi, Pfeiffer, and Brondeau, the "Individual Defendants"), Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), Goldman Sachs & Co. LLC ("Goldman Sachs"), Credit Suisse Securities (USA) LLC ("Credit Suisse"), Citigroup Global Markets Inc. ("Citigroup"), Loop Capital Markets LLC ("Loop Capital"), Nomura Securities International, Inc. ("Nomura Securities") (Merrill Lynch, Goldman Sachs, Credit Suisse, Citigroup, Loop Capital, and Nomura Securities are referred to collectively as the "Underwriter Defendants"), and FMC Corporation ("FMC" and, together with Livent, the Individual Defendants, and the Underwriter Defendants, "Defendants"). It avoids the costs and risks of continuing the litigation; pays money to eligible investors; and releases the Released Defendant Parties (defined below) from liability.

If you are a Settlement Class Member, your legal rights will be affected by this Settlement whether you act or do not act. Please read this Notice carefully.

¹ The terms of the Settlement are in the Stipulation and Agreement of Settlement, dated October 27, 2020 (the "Stipulation"), which can be viewed at www.LiventSecuritiesSettlement.com.com. All capitalized terms not defined in this Notice have the same meanings as defined in the Stipulation.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT					
SUBMIT A CLAIM FORM BY MAY 8, 2021	The <u>only</u> way to get a payment. <i>See</i> Question 8 below for details.				
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY MARCH 25, 2021	Get no payment. This is the only option that, assuming your claim is timely brought, might allow you to ever bring or be part of any other lawsuit against Defendants and/or the other Released Defendant Parties concerning the Released Claims. <i>See</i> Question 11 below for details.				
OBJECT BY MARCH 25, 2021	Write about why you do not like the Settlement, the Plan of Allocation, and/or Lead Counsel's Fee and Expense Application. If you object, you will still be a member of the Settlement Class. <i>See</i> Question 16 below for details.				
PARTICIPATE IN A HEARING ON APRIL 15, 2021, AND SUBMIT A NOTICE OF INTENTION TO APPEAR BY MARCH 25, 2021	Ask to speak to the Court at the Settlement Hearing about the Settlement. See Question 20 below for details.				
DO NOTHING	Get no payment. Give up rights.				

- These rights and options—and the deadlines to exercise them—are explained in this Notice.
- The Court in charge of this case still has to decide whether to approve the Settlement. Payments will be made to all Settlement Class Members who timely submit valid Proof of Claim and Release forms ("Claim Forms"), if the Court approves the Settlement and after any appeals are resolved. Please be patient.

SUMMARY OF THE NOTICE

Statement of the Settlement Class's Recovery

1. Subject to Court approval, Lead Plaintiffs, on behalf of the Settlement Class, have agreed to settle the Action in exchange for a payment of \$7,400,000 in cash (the "Settlement Amount"), which will be deposited into an Escrow Account, which may earn interest (the "Settlement Fund"). Based on Lead Plaintiffs' consulting damages expert's estimate of the number of shares of Livent publicly traded common stock eligible to participate in the Settlement, and assuming that all investors eligible to participate in the Settlement do so, it is estimated that the average recovery, before deduction of any Court-approved fees and expenses, such as attorneys' fees, litigation expenses, Taxes, and Notice and Administration Expenses, would be approximately \$0.09 per allegedly damaged share. If the Court approves Lead Counsel's Fee and Expense Application (discussed below), the average recovery would be approximately \$0.06 per allegedly damaged share. These average recovery amounts are only estimates and Settlement Class Members may recover more or less than these estimated amounts. A Settlement Class Member's actual recovery will depend on, for example: (i) the total number of claims submitted; (ii) the amount of the Net Settlement Fund (after deduction of Court-approved fees and expenses); and (iii) whether and when the Settlement Class Member sold Livent common stock. See the Plan of Allocation beginning on page 11 for information on the calculation of your Recognized Claim.

Statement of Potential Outcome of Case if the Action Continued to Be Litigated

- 2. The Parties disagree about both liability and damages and do not agree about the amount of damages that would be recoverable if Lead Plaintiffs were to prevail on each claim alleged. The issues on which the Parties disagree include, for example: (i) whether the Offering Materials contained untrue statements of material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) the extent to which external factors, such as general market, economic and industry conditions, influenced the trading prices of Livent common stock at various times; (iii) the appropriate economic models for measuring damages; and (iv) whether class members suffered any damages.
- 3. Defendants have denied and continue to deny any and all allegations and claims of wrongdoing or fault asserted in the Action, deny that they have committed any act or omission giving rise to any liability or violation of law, and deny that Lead Plaintiffs and the Settlement Class have suffered any loss attributable to Defendants' actions or omissions. While Lead Plaintiffs believe they have meritorious claims, they recognize that there are significant obstacles in the way to recovery.

Statement of Attorneys' Fees and Expenses Sought

4. Lead Counsel, on behalf of all Plaintiffs' Counsel, will apply to the Court for an award of attorneys' fees from the Settlement Fund in an amount not to exceed 33 1/3% of the Settlement Fund, which includes any accrued interest. Lead Counsel, in its sole discretion, may allocate a portion of the fee award to lead counsel Robbins Geller Rudman & Dowd LLP in *Nikolov v. Livent Corp.*, No. 2:19-cv-02218-CFK (E.D. Pa.), a related class action, defined below, which had asserted claims substantially similar to those brought by Lead Plaintiffs. Lead Counsel will also apply for payment of litigation expenses incurred by Plaintiffs' Counsel in prosecuting the Action in an amount not to exceed \$150,000, plus accrued interest, which may include a service award for the reasonable costs and expenses of Lead Plaintiffs related to their representation of the Settlement Class. If the Court approves Lead Counsel's Fee and Expense Application in full, the average amount of such fees and expenses, assuming claims are filed for all shares eligible to participate in the Settlement, will be approximately \$0.03 per allegedly damaged share of Livent common stock. A copy of the Fee and Expense Application will be posted on www.LiventSecuritiesSettlement.com after it has been filed with the Court.

Reasons for the Settlement

- 5. For Lead Plaintiffs, the principal reason for the Settlement is the guaranteed cash benefit to the Settlement Class. This benefit must be compared to the uncertainty of being able to prove the allegations in the Amended Complaint; the risk that the Court may grant some or all of the anticipated summary judgment motions to be filed by Defendants; the risk of the Court reconsidering its rulings on Defendants' preliminary objections to the Amended Complaint or Defendants securing interlocutory review of those rulings; the uncertainty of having a class certified; the uncertainty inherent in the Parties' various and competing theories of liability, causation and damages; the uncertainty of a greater recovery after a trial and appeals; the risks of litigation, especially in complex actions like this; as well as the difficulties and delays inherent in such litigation (including any trial and appeals).
- 6. For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that Settlement Class Members were damaged, the principal reasons for entering into the Settlement are to end the burden, expense, uncertainty, and risk of further litigation.

Identification of Attorneys' Representatives

- 7. Lead Plaintiffs and the Settlement Class are represented by Lead Counsel, Alfred L. Fatale III, Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, (888) 219-6877, www.labaton.com, settlementquestions@labaton.com.
- 8. Further information regarding the Action, the Settlement, and this Notice may be obtained by contacting the Claims Administrator: c/o Epiq, P.O. Box 5270, Portland, OR 97208-5270, (800) 874-8379, www.LiventSecuritiesSettlement.com; or Lead Counsel.

Please Do Not Call the Court with Questions about the Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

- 9. You or someone in your family may have purchased or acquired Livent's publicly traded common stock pursuant and/or traceable to the Company's Offering Materials for its initial public offering, commenced on October 11, 2018, of 23,000,000 shares. Receipt of this Notice does not mean that you are a Member of the Settlement Class or that you will be entitled to receive a payment. If you wish to be eligible for a payment, you are required to submit the Claim Form that is being distributed with this Notice. See Question 8 below.
- 10. The Court directed that this Notice be sent to Settlement Class Members because they have a right to know about the proposed Settlement of this class action lawsuit, and about all of their options, before the Court decides whether to approve the Settlement.
- 11. The Court in charge of the Action is the Court of Common Pleas of Philadelphia County, Pennsylvania, and the case is known as *In re Livent Corporation Securities Litigation*, No. 190501229 (the "Action"). The Action is assigned to the Honorable Ramy I. Djerassi.

2. What is this case about and what has happened so far?

- 12. Livent is a producer and distributor of lithium products based in Philadelphia, Pennsylvania. Lead Plaintiffs' claims arise from allegedly material misstatements and omissions made by Defendants in the Offering Materials issued in connection with the Company's initial public offering, commenced on October 11, 2018, of 23,000,000 shares of common stock. Livent's common stock issued in the IPO was registered with the U.S. Securities and Exchange Commission (the "SEC") pursuant to a registration statement filed with the SEC on Form S-1, which, following several amendments, was declared effective by the SEC on October 10, 2018 (the "Registration Statement"). On or about October 12, 2018, Livent filed with the SEC its final prospectus for the IPO (the "Prospectus"), which forms part of the Registration Statement (the Prospectus and Form S-1, as amended, are referred to collectively as the "Offering Materials").
- 13. Lead Plaintiffs allege that the Offering Materials presented favorable information about the Company, its operations, and its financial prospects, and touted the Company's low cost lithium production, long-term contracts, accelerating lithium hydroxide demand, and market share. Lead Plaintiffs allege that the Registration Statement failed to disclose that prior to the IPO, Livent purportedly: (i) was purchasing lithium carbonate from third-party suppliers at a higher cost which reduced revenue and squeezed margins; (ii) was negatively impacted by one large lithium hydroxide contract that has been in place for several years at a much lower price and other existing customers were not willing to enter into new contracts; (iii) was experiencing delays in customers' purchases of lithium hydroxide, as such customers were instead producing older batteries that use cheaper lithium carbonate; and (iv) was losing market share and facing greater competition due to pricing pressures and industry consolidation. Lead Plaintiffs also allege that the Registration Statement failed to disclose that the "potential" risks associated with third-party lithium carbonate sourcing, demand for performance lithium compounds, and the Company's competition and market share disclosed by Defendants purportedly had already materialized, and were not prospective, as Defendants claimed. Lead Plaintiffs allege that undisclosed issues and the impact they had on the Company's growth caused the Company's stock price to fall below the IPO price. Defendants have denied, and continue to deny, Lead Plaintiffs' allegations and that the Registration Statement was in any way materially misleading.
- 14. On May 13, 2019, Lead Plaintiff Plymouth County Retirement Association ("Plymouth") filed a securities class action complaint, captioned *Plymouth County Retirement Association v. Livent Corporation, et al.*, No. 2019-0501229 (the "Plymouth Action"), in the Court of Common Pleas of Philadelphia County, Pennsylvania, on behalf of investors in Livent's common stock asserting claims under Sections 11, 12(a)(2), and 15 of the Securities Act of 1933 (the "Securities Act") for alleged misstatements and omissions in the offering materials for Livent's October 11, 2018 IPO.
- 15. On May 22, 2019, and June 20, 2019, two other Livent investors filed separate actions under the Securities Act in the U.S. District Court for the Eastern District of Pennsylvania (the "Federal Court"), asserting substantially similar claims under Sections 11, 12(a)(2), and 15 of the Securities Act. These actions were consolidated under the caption *Nikolov v. Livent Corp.*, No. 2:19-cv-02218-CFK (the "Federal Action").
- 16. On July 18, 2019, another Livent investor—Gary Bizarria ("Bizarria")—filed a securities class action complaint, captioned *Bizarria v. Livent Corporation, et al.*, No. 2019-0702133 (the "Bizarria Action"), in the Court of Common Pleas of Philadelphia County, Pennsylvania, asserting substantially similar claims under Sections 11 and 15 of the Securities Act as the complaint in the Plymouth Action.

- 17. On July 26, 2019, Lead Plaintiff Plymouth filed an Amended Class Action Complaint (the "Amended Complaint"). The Amended Complaint alleges violations of Sections 11, 12(a)(2), and 15 on behalf of a class of all persons who purchased or otherwise acquired Livent's publicly traded common stock pursuant and/or traceable to the Offering Materials and who were damaged thereby.
- On September 20, 2019, the Court issued an order: (i) appointing Plymouth and Bizarria as Lead Plaintiffs; (ii) appointing Labaton Sucharow LLP as Lead Counsel, Thornton Law Firm LLP and Robbins Arroyo LLP (n/k/a Robbins LLP) to an Executive Committee, and Goldman Scarlato & Penny, P.C. as Liaison Counsel; (iii) consolidating the Plymouth Action and the Bizarria Action, and all subsequently filed actions related to the same subject matter, under the caption: In re Livent Corporation Securities Litigation, No. 190501229; and (iv) designating the Amended Complaint as the operative complaint in the Action.
- On October 11, 2019, Defendants filed preliminary objections in the form of a demurrer to the Amended Complaint. On November 15, 2019, Lead Plaintiffs filed answers to Defendants' preliminary objections. On December 6, 2019, Defendants filed reply briefs in further support of their preliminary objections and their petition for dismissal.
 - 20. On June 29, 2020, the Court overruled Defendants' preliminary objections.
- On July 2, 2020, the Federal Court granted Defendants' motion to dismiss the Federal Action, which 21. had been filed on November 18, 2019, and argued on May 5, 2020.
- On July 7, 2020, Defendants filed an emergency motion for reconsideration of the Court's June 29, 2020, orders denying Defendants' preliminary objections in the Action. On July 20, 2020, Lead Plaintiffs opposed that motion. Defendants filed their reply on July 23, 2020.
- On July 31, 2020, plaintiff in the Federal Action filed a notice of appeal of the Federal Court's decision granting Defendants' Motion to Dismiss. On or about September 14, 2020, the appeal was stayed.
- Beginning in July 2020, the Parties began discussing the possibility of resolving the claims asserted in the Action through mediation. Lead Plaintiffs, Livent, the Individual Defendants, and FMC engaged Robert A. Meyer, Esq. (the "Mediator"), a well-respected and experienced mediator, to assist them in exploring a potential negotiated resolution of the claims against all Defendants. On August 21, 2020, counsel for Lead Plaintiffs, Livent, the Individual Defendants, and FMC met with the Mediator in an attempt to reach a settlement during an all-day mediation session. Following the mediation, the Parties continued to discuss the possibility of a negotiated resolution. On August 26, 2020, the Parties reached an agreement in principle to settle the claims against all of the Defendants, subject to the negotiation of a mutually acceptable stipulation of settlement.

Why is this a class action?

In a class action, one or more persons or entities (in this case, Lead Plaintiffs), sue on behalf of people and entities who have similar claims. Together, these people and entities are a "class," and each is a "class member." Class actions allow the adjudication of many individuals' similar claims that might be too small economically to bring as individual actions. One court resolves the issues for all class members at the same time, except for those who exclude themselves, or "opt-out," from the class. In this Action, the Court has appointed Plymouth County Retirement Association and Gary Bizarria to serve as Class Representatives, for purposes of the Settlement, and has appointed Labaton Sucharow LLP to serve as Lead Counsel, for purposes of the Settlement.

What are the reasons for the Settlement?

The Court did not finally decide in favor of Lead Plaintiffs or Defendants. Instead, both sides agreed to a settlement. Lead Plaintiffs and Lead Counsel believe that the claims asserted in the Action have merit. They recognize, however, the expense and length of continued proceedings needed to pursue the claims through trial and appeals, as well as the difficulties in establishing liability. For example, Defendants have raised a number of arguments and defenses (which they would raise at summary judgment and trial) countering Lead Plaintiffs' allegations that the Offering Materials failed to disclose material adverse facts in existence at the time of the Offering. Defendants would also continue to seek to have the Court reconsider its rulings on Defendants' preliminary objections and/or an interlocutory appeal of those rulings, and Lead Plaintiffs would face substantial risk of further delay and motion and appellate practice.

AC3415 v.06

- 27. Even assuming Lead Plaintiffs could establish liability, the amount of damages that could be attributed to the allegedly false and misleading statements would also be hotly contested. Defendants would likely argue that any drop in Livent's stock price resulted from factors other than the alleged misstatements or omissions in the Offering Materials. In the absence of a settlement, the Parties would present factual and expert testimony on each of these issues, and there is a risk that the Court or jury would resolve these issues unfavorably against Lead Plaintiffs and the Settlement Class. Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.
- 28. Defendants have denied and continue to deny any wrongdoing or that they committed any act giving rise to any liability or violation of any law including the U.S. Securities laws. Defendants deny each and every one of the claims alleged by Lead Plaintiffs in the Action, including all claims in the Amended Complaint.

WHO IS IN THE SETTLEMENT

5. How do I know if I am part of the Settlement Class?

29. The Court directed, for the purposes of the proposed Settlement, that everyone who fits the following description is a Settlement Class Member and subject to the Settlement, unless they are an excluded person (*see* Question 6 below) or take steps to exclude themselves from the Settlement Class (*see* Question 11 below):

All persons and entities who or which purchased or otherwise acquired Livent's publicly traded common stock pursuant and/or traceable to the Company's Offering Materials for its initial public offering of 23,000,000 shares, and who were allegedly damaged thereby.

30. You are a Settlement Class Member only if you purchased or otherwise acquired Livent publicly traded common stock pursuant and/or traceable to the Company's Offering Materials for its IPO, which occurred on or about October 11, 2018. For purposes of the Settlement, purchases/acquisitions of shares from October 11, 2018 through May 13, 2019 (the date this lawsuit was filed) will be potentially eligible for a recovery. Check your investment records or contact your broker to see if you have any eligible purchases or acquisitions.

6. Are there exceptions to being included?

31. Yes. There are some individuals and entities who are excluded from the Settlement Class by definition. Excluded from the Settlement Class are: (i) Defendants and the Individual Defendants' immediate family members; (ii) the officers and directors of Livent, FMC, and the Underwriter Defendants; (iii) Livent's affiliates and employee retirement and/or benefit plan(s) and their participants or beneficiaries to the extent they purchased or acquired Livent common stock pursuant or traceable to the Offering through any such plan(s); (iv) the legal representatives, heirs, successors, or assigns of any of the foregoing; and (v) any entity in which any of the foregoing has a majority ownership interest. Also excluded from the Settlement Class is anyone who timely and validly seeks exclusion from the Settlement Class in accordance with the procedures described in Ouestion 11 below.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

32. In exchange for the Settlement and the release of the Released Claims against the Released Defendant Parties (*see* Question 10 below), Livent has agreed to cause a \$7.4 million cash payment to be made, which, along with any interest earned, will be distributed after deduction of Court-awarded attorneys' fees and litigation expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court (the "Net Settlement Fund"), to Settlement Class Members who send in valid and timely Claim Forms.

8. How can I receive a payment?

33. To qualify for a payment from the Net Settlement Fund, you must submit a timely and valid Claim Form. A Claim Form is included with this Notice. You may also obtain one from the website dedicated to the Settlement: www.LiventSecuritiesSettlement.com. You can also request that a Claim Form be mailed to you by calling the Claims Administrator toll-free at (800) 874-8379.

34. Please read the instructions contained in the Claim Form carefully. Fill out the Claim Form, include all the documents the form requests, sign it, and either mail it to the Claims Administrator using the address listed in the Claim Form or submit it online at www.LiventSecuritiesSettlement.com. Claim Forms must be **postmarked** (if mailed) or received no later than May 8, 2021.

9. When will I receive my payment?

35. The Court will hold a Settlement Hearing on **April 15, 2021, to** decide, among other things, whether to finally approve the Settlement. Even if the Court approves the Settlement, there may be appeals which can take time to resolve, perhaps more than a year. It also takes a long time for all of the Claim Forms to be accurately reviewed and processed. Please be patient.

10. What am I giving up to receive a payment and by staying in the Settlement Class?

- 36. If you are a Settlement Class Member and do not timely and validly exclude yourself from the Settlement Class, you will remain in the Settlement Class and that means that, upon the "Effective Date" of the Settlement, you will release all "Released Claims" against the "Released Defendant Parties."
- "Released Claims" means any and all manner of actions, suits, demands, rights, liabilities, damages, costs, duties, controversies, obligations, debts, sums of money, contracts, agreements, promises, losses, judgments, allegations, arguments, causes of action, restitution, rescission, interest, attorneys' fees, expert or consulting fees, expenses, matters, issues, and known claims or Unknown Claims (as defined below), whether contingent or absolute, suspected or unsuspected, disclosed or undisclosed, liquidated or unliquidated, matured or unmatured, accrued or unaccrued, class or individual in nature, apparent or unapparent, whether concealed or hidden, whether based on federal, state, local, foreign, statutory, administrative, or common law or any other law, rule, or regulation, at law or in equity, whether held directly, or representatively, that Lead Plaintiffs or any other Settlement Class Member: (i) asserted in any complaint or other pleading filed in this Action or any other action; or (ii) could have asserted in the Action or any action in any forum, domestic or foreign, that arise out of, are based upon, or relate to, directly or indirectly, in whole or in part: (a) the allegations, transactions, facts, events, matters, occurrences, acts, disclosures (including the adequacy and completeness of such disclosures, the Prospectus, the Registration Statement, the Offering Materials, and any roadshow presentation or other marketing materials in connection with the IPO), representations, statements, omissions, failures to act, or any other matter whatsoever involved in the Action; and (b) the purchase, acquisition, holding or sale of Livent publicly traded common stock pursuant and/or traceable to the IPO. For the avoidance of doubt, Released Claims include claims alleged in the Federal Action, but do not include: claims relating to the enforcement of the Settlement or (ii) any claims of Persons who submit a request for exclusion that is accepted by the Court.
- (b) "Released Defendant Parties" or "Released Defendant Party" means Defendants, Defendants' Counsel, and each of their respective past or present subsidiaries, parents, affiliates, principals, the successors and predecessors and assigns in interest of any of them, joint venturers, officers, directors, shareholders, underwriters, trustees, partners, members, agents, fiduciaries, contractors, employees, insurers, co-insurers, reinsurers, controlling shareholders, attorneys, financial or investment advisors or consultants, banks or investment bankers, personal or legal representatives, estates, heirs, related or affiliated entities, any entity in which a Defendant has a controlling interest, any member of an Individual Defendant's immediate family, or any trust of which any Individual Defendant is a settlor or which is for the benefit of any Defendant and/or member(s) of his or her family, and each of the heirs, executors, administrators, trustees, predecessors, successors, and assigns of the foregoing.
- (c) "Unknown Claims" means any and all Released Claims that Lead Plaintiffs or any other Settlement Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, and any and all Released Defendants' Claims that any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of the Released Plaintiff Parties, which if known by him, her, or it might have affected his, her, or its decision(s) with respect to the Settlement, including the decision to object to the terms of the Settlement or to exclude himself, herself, or itself from the Settlement Class. With respect to any and all Released Claims and Released Defendants' Claims, the Parties stipulate and agree that, upon the Effective Date, Lead Plaintiffs and Defendants shall expressly, and each other Settlement Class Member shall be deemed to have, and by operation of the Judgment shall have, to the fullest extent permitted by law, expressly waived and relinquished any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or foreign law, or principle of common law, which is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs, other Settlement Class Members, or Defendants may hereafter discover facts, legal theories, or authorities in addition to or different from those which any of them now knows or believes to be true with respect to the subject matter of the Released Claims and the Released Defendants' Claims, but Lead Plaintiffs and Defendants shall expressly, fully, finally, and forever settle and release, and each Settlement Class Member shall be deemed to have settled and released, and upon the Effective Date and by operation of the Judgment shall have settled and released, fully, finally, and forever, any and all Released Claims and Released Defendants' Claims as applicable, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Lead Plaintiffs and Defendants acknowledge, and other Settlement Class Members by operation of law shall be deemed to have acknowledged, that the inclusion of "Unknown Claims" in the definition of Released Claims and Released Defendants' Claims was separately bargained for and was a material element of the Settlement.

- 37. The "Effective Date" will occur when an Order entered by the Court approving the Settlement becomes Final and is not subject to appeal. If you remain a member of the Settlement Class, all of the Court's orders, whether favorable or unfavorable, will apply to you and legally bind you.
- 38. Upon the "Effective Date," Defendants will also provide a release of any claims against Lead Plaintiffs and the Settlement Class arising out of or related to the institution, prosecution, or settlement of the claims in the Action.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

39. If you want to keep any right you may have to sue or continue to sue Defendants and the other Released Defendant Parties on your own concerning the Released Claims, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself or "opting out." **Please note:** If you decide to exclude yourself, there is a risk that any lawsuit you may file to pursue claims alleged in the Action may be dismissed, including because the suit is not filed within the applicable time periods required for filing suit. Also, Livent may terminate the Settlement if more than a certain number of exclusion requests are received.

11. How do I exclude myself from the Settlement Class?

40. To exclude yourself from the Settlement Class, you must mail a signed letter stating that you request to be "excluded from the Settlement Class in *In re Livent Corporation Securities Litigation*, No. 190501229." You cannot exclude yourself by telephone or e-mail. Each request for exclusion must also: (i) state the name, address, telephone number, and email address of the person or entity requesting exclusion; (ii) state the date(s), price(s), and number(s) of shares of Livent common stock purchased during the period from October 11, 2018 through May 13, 2019, and provide documentation of the purchases/acquisitions; (iii) state the date(s), price(s), and number(s) of shares of Livent common stock sold during the period from May 13, 2019 through October 26, 2020, and provide documentation of the sales; and (iv) be signed by the Person requesting exclusion or an authorized representative. Only members of the Settlement Class can request exclusion. A request for exclusion must be mailed so that it is **received no later than March 25, 2021** at:

Livent Securities Settlement c/o Epiq P.O. Box 5270 Portland, OR 97208-5270

41. This information is needed to determine whether you are a member of the Settlement Class. Your exclusion request must comply with these requirements in order to be valid. If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. Also, you cannot object to the Settlement because you will not be a Settlement Class Member. However, if you submit a valid exclusion request, you will not be legally bound by anything that happens in the Action, and you may be able to sue (or continue to sue) Defendants and the other Released Defendant Parties in the future.

12. If I do not exclude myself, can I sue Defendants and the other Released Defendant Parties for the same thing later?

42. No. If you are a member of the Settlement Class, unless you properly exclude yourself, you will give up any rights to sue Defendants and the other Released Defendant Parties for any and all Released Claims. If you have a pending lawsuit against any of the Released Defendant Parties, **speak to your lawyer in that case immediately**. You must exclude yourself from this Settlement Class to continue your own lawsuit. Remember, the exclusion deadline is **March 25, 2021.**

13. If I exclude myself, can I get money from the proposed Settlement?

43. No, only Settlement Class Members are eligible to recover money from the Settlement.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

44. Labaton Sucharow LLP, Thornton Law Firm LLP, Robbins LLP, and Goldman, Scarlato & Penny, P.C. are Plaintiffs' Counsel in the Action. You will not be separately charged for these lawyers. The Court will determine the amount of attorneys' fees and expenses, which will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

45. Plaintiffs' Counsel have been prosecuting the Action on a contingent basis and have not been paid for any of their work. Lead Counsel, on behalf of Plaintiffs' Counsel, will seek an attorneys' fee award of no more than 33 1/3% of the Settlement Fund, which will include accrued interest. Lead Counsel will also seek payment of litigation expenses incurred by Plaintiffs' Counsel in the prosecution of this Action of no more than \$150,000, plus accrued interest, which may include an application for a service award to Lead Plaintiffs for the reasonable costs and expenses related to Lead Plaintiffs' representation of the Settlement Class. Any attorneys' fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, OR THE FEE AND EXPENSE APPLICATION

16. How do I tell the Court that I do not like something about the proposed Settlement?

- 46. If you are a Settlement Class Member, you can object to the Settlement or any of its terms, the proposed Plan of Allocation of the Net Settlement Fund, and/or Lead Counsel's Fee and Expense Application. You may write about why you think the Court should not approve any or all of the Settlement terms or related relief. If you would like the Court to consider your views, you must submit a proper objection within the deadline, and according to the following procedures.
- 47. To object, you must send a signed letter stating that you object to the proposed Settlement, the Plan of Allocation, and/or the Fee and Expense Application in "In re Livent Corporation Securities Litigation, No. 190501229." The objection must also: (i) state the name, address, telephone number, and e-mail address of the objector and must be signed by the objector; (ii) contain a statement of the Settlement Class Member's objection or objections and the specific reasons for each objection, including any legal and evidentiary support (including witnesses) the Settlement Class Member wishes to bring to the Court's attention; (iii) explain whether your objection applies only to you, a subset of the Settlement Class, or the entire Settlement Class; and (iv) state the date(s), price(s), and number(s) of shares of all purchases and acquisitions of Livent common stock from October 11, 2018 through May 13, 2019, and the date(s), price(s), and number(s) of shares of all sales of Livent common stock from October 11, 2018 through October 26, 2020, and provide documentation of the purchases/acquisitions/sales. Unless otherwise ordered by the Court, any Settlement Class Member who does not object in the manner described in this Notice will be deemed to have waived any objection and will be forever foreclosed from making any objection to the proposed Settlement, the Plan of Allocation, and/or Lead Counsel's Fee and Expense Application. Your objection must be mailed or delivered to the following counsel so that it is **received no later than March 25, 2021:**

Davis Polk & Wardwell LLP Dana M. Seshens, Esq. 450 Lexington Avenue

48. You do not need to attend the Settlement Hearing to have your written objection considered by the Court. However, any Settlement Class Member who has complied with the procedures described in this Question 16 and below in Question 20 may appear at the Settlement Hearing and be heard, to the extent allowed by the Court. An objector may appear themselves or arrange, at his, her, or its own expense, for a lawyer to represent him, her, or it at the Settlement Hearing.

17. What is the difference between objecting and seeking exclusion?

49. Objecting is telling the Court that you do not like something about the proposed Settlement, Plan of Allocation, or Lead Counsel's Fee and Expense Application. You can still recover money from the Settlement. You can object *only* if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself from the Settlement Class, you have no basis to object because the Settlement and the Action no longer affect you.

THE SETTLEMENT HEARING

18. When and where will the Court decide whether to approve the proposed Settlement?

- 50. The Settlement Hearing will be held on **April 15, 2021 at 10:00 a.m. EDT**, before the Court of Common Pleas of Philadelphia County, Pennsylvania, either in person at the Court of Common Pleas of Philadelphia County in a courtroom that will be posted in advance on the Settlement website, www.LiventSecuritiesSettlement. com, or remotely using a Zoom link that will be posted in advance on the Settlement website, in the Court's discretion.
- 51. At this hearing, the Honorable Ramy I. Djerassi will consider whether: (i) the Settlement is fair, reasonable, adequate, and should be approved; (ii) the Plan of Allocation is fair and reasonable, and should be approved; and (iii) the application of Lead Counsel for an award of attorneys' fees and payment of litigation expenses is reasonable and should be approved. The Court will take into consideration any written objections submitted in accordance with the instructions in Question 16 above. We do not know how long it will take the Court to make these decisions.
- 52. You should be aware that the Court may change the date and time of the Settlement Hearing, or hold the hearing remotely, without another notice being sent to Settlement Class Members. If you want to attend the hearing, you should check with Lead Counsel or visit the Settlement website, www.LiventSecuritiesSettlement.com, beforehand to be sure that the hearing date and/or time has not changed.

19. Do I have to come to the Settlement Hearing?

53. No. Lead Counsel will answer any questions the Court may have. But, you are welcome to attend at your own expense. If you submit a valid and timely objection, the Court will consider it and you do not have to participate in the Settlement Hearing to discuss it. You may have your own lawyer attend (at your own expense), but it is not required. If you do hire your own lawyer, he or she must submit and serve a Notice of Appearance in the manner described in the answer to Question 20 below **no later than March 25, 2021**.

20. May I speak at the Settlement Hearing?

54. If you are a member of the Settlement Class, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must, **no later than March 25, 2021**, submit a statement to Lead Counsel and Defendants' Counsel that you, or your attorney, intend to appear in "In re Livent Corporation Securities Litigation, No. 190501229." Persons who intend to present evidence at the Settlement Hearing must also include in their objections (prepared and submitted in accordance with the answer to Question 16 above) the identities of any witnesses they may wish to call to testify and any exhibits they intend to introduce into evidence at the Settlement Hearing. You may not speak at the Settlement Hearing if you exclude yourself from the Settlement Class or if you have not provided written notice of your intention to speak at the Settlement Hearing in accordance with the procedures described in this Question 20 and Question 16 above.

IF YOU DO NOTHING

21. What happens if I do nothing at all?

55. If you do nothing and you are a member of the Settlement Class, you will receive no money from this Settlement and you will be precluded from starting a lawsuit, continuing with a lawsuit, or being part of any other lawsuit against Defendants and the other Released Defendant Parties concerning the Released Claims. To share in the Net Settlement Fund, you must submit a Claim Form (*see* Question 8 above). To start, continue, or be a part of any other lawsuit against Defendants and the other Released Defendant Parties concerning the Released Claims, you must exclude yourself from the Settlement Class (*see* Question 11 above).

GETTING MORE INFORMATION

22. Are there more details about the Settlement?

- 56. This Notice summarizes the proposed Settlement. More details are contained in the Stipulation. You may review the Stipulation filed with the Court or other documents in the case by visiting the Court's website at http://fjdefile.phila.gov/efsfjd/zk fjd public qry 00.zp disclaimer.
- 57. You can also get a copy of the Stipulation, and other documents related to the Settlement, as well as additional information about the Settlement by visiting the website dedicated to the Settlement, www.LiventSecuritiesSettlement.com. You may also call the Claims Administrator toll free at (800) 874-8379 or write to the Claims Administrator at *Livent Securities Settlement*, c/o Epiq, P.O. Box 5270, Portland, OR 97280-5270. **Please do not call or write the Court with questions about the Settlement.**

PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

23. How will my claim be calculated?

- 58. The Plan of Allocation (the "Plan of Allocation" or "Plan") set forth below is the plan that is being proposed by Lead Plaintiffs and Lead Counsel to the Court for approval. The Court may approve this Plan of Allocation or modify it without additional notice to the Settlement Class. Any order modifying the Plan of Allocation will be posted on the Settlement website at: www.LiventSecuritiesSettlement.com.
- 59. The Settlement Amount and the interest it earns is the Settlement Fund. The Settlement Fund, after deduction of Court-approved attorneys' fees and expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court is the Net Settlement Fund. The Net Settlement Fund will be distributed to members of the Settlement Class who timely submit valid Claim Forms that show a Recognized Claim according to the Plan of Allocation approved by the Court.
- 60. The objective of this Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants who suffered economic losses allegedly as a result of the violations of the Securities Act asserted in the Action. To design this Plan, Lead Counsel conferred with Lead Plaintiffs' consulting damages expert. This Plan is intended to be generally consistent with an assessment of, among other things, the damages that Lead Plaintiffs and Lead Counsel believe were recoverable in the Action.
- 61. The Plan of Allocation, however, is not a formal damages analysis and the calculations made pursuant to the Plan are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. An individual Settlement Class Member's recovery will depend on, for example: (i) the total number and value of claims submitted; and (ii) whether and when the Claimant sold his, her, or its shares of common stock. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making pro rata allocations of the Net Settlement Fund.
- 62. Because the Net Settlement Fund is less than the total losses alleged to be suffered by Settlement Class Members, the formulas described below for calculating Recognized Losses are not intended to estimate the amount that will actually be paid to Authorized Claimants. Rather, these formulas provide the basis on which the Net Settlement Fund will be distributed among Authorized Claimants on a *pro rata* basis. An Authorized Claimant's "Recognized Claim" shall be the amount used to calculate the Authorized Claimant's *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Authorized Claimant's Recognized Claim divided by the total of the Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

- 63. Section 11 of the Securities Act serves as the basis for the calculation of the Recognized Loss Amounts under the Plan of Allocation. Section 11 of the Securities Act provides a statutory formula for the calculation of damages. The formulas stated below, which were developed by Lead Plaintiffs' consulting damages expert, generally track the statutory formula.
- 64. Defendants, their respective counsel, and all other Released Defendant Parties will have no responsibility or liability for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation or the payment of any claim. Lead Plaintiffs, Lead Counsel, and anyone acting on their behalf, likewise will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

- 65. For purposes of determining whether a Claimant has a "Recognized Claim," purchases, acquisitions, and sales of Livent publicly traded common stock will first be matched on a First In/First Out ("FIFO") basis. If a Settlement Class Member has more than one purchase/acquisition or sale of Livent common stock, all purchases/acquisitions and sales shall be matched on a FIFO basis. Sales will be matched against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the period from October 11, 2018 through May 13, 2019.
- 66. A "Recognized Loss Amount" will be calculated as set forth for each purchase of Livent publicly traded common stock during the period from October 11, 2018 through May 13, 2019 that is listed in the Claim Form and for which adequate documentation is provided. To the extent that the calculation of a Claimant's Recognized Loss Amount results in a negative number, that number shall be set to zero. The sum of a Claimant's Recognized Loss Amounts will be his, her or its Recognized Claim.
- 67. For each share of Livent publicly traded common stock purchased or otherwise acquired from October 11, 2018 through and including May 13, 2019, and:
 - A. Sold before the opening of trading on May 13, 2019,² the Recognized Loss Amount for each such share shall be the purchase/acquisition price (not to exceed the issue price at the Offering of \$17.00) *minus* the sale price.
 - B. Sold after the opening of trading on May 13, 2019 through the close of trading on October 26, 2020,³ the Recognized Loss Amount for each such share shall be the purchase/acquisition price (not to exceed the issue price at the Offering of \$17.00) *minus* the sale price (not to be less than \$7.61, the closing share price on May 13, 2019).
 - C. Retained through the close of trading on October 26, 2020, the Recognized Loss Amount for each such share shall be the purchase/acquisition price (not to exceed the issue price at the Offering of \$17.00) *minus* \$7.61, the closing share price on May 13, 2019.

ADDITIONAL PROVISIONS

- 68. Purchases or acquisitions and sales of Livent publicly traded common stock shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement," "payment," or "sale" date. The receipt or grant by gift, inheritance or operation of law of Livent publicly traded common stock purchased or acquired in the Offering shall not be deemed a purchase, acquisition, or sale of such shares for the calculation of a Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of such shares unless: (i) the donor or decedent purchased or otherwise acquired such shares in the Offering; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares; and (iii) it is specifically so provided in the instrument of gift or assignment.
- 69. In accordance with the Plan of Allocation, the Recognized Loss Amount on any portion of a purchase or acquisition that matches against (or "covers") a "short sale" is zero. The Recognized Loss Amount on a "short sale" that is not covered by a purchase or acquisition is also zero.
- 70. In the event that a Claimant newly establishes a short position during the period from October 11, 2018 through May 13, 2019, the earliest subsequent purchase or acquisition during the period from October 11, 2018 through May 13, 2019, shall be matched against such short position on a FIFO basis and will not be entitled to a recovery.
- 71. Livent publicly traded common stock is the only security eligible for recovery under the Plan of Allocation. With respect to Livent publicly traded common stock purchased or sold through the exercise of an option, the purchase/sale date of the Livent publicly traded common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

³ This is the day before the Stipulation was executed.

² For purposes of the statutory calculations, May 13, 2019 is the date of filing of the initial complaint in the Action.

- 72. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$10.00 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and a distribution will not be made to that Authorized Claimant.
- Payment according to this Plan of Allocation will be deemed conclusive against all Authorized Claimants. Recognized Claims will be calculated as defined herein by the Claims Administrator and cannot be less than zero.
- 74. Distributions will be made to eligible Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If there is any balance remaining in the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise) after at least six (6) months from the date of initial distribution of the Net Settlement Fund, the Claims Administrator shall, if feasible and economical, after payment of Notice and Administration Expenses, Taxes, and attorneys' fees and expenses, if any, redistribute such balance among Authorized Claimants who have cashed their initial checks in an equitable and economic fashion. Any balance that still remains in the Net Settlement Fund after re-distribution(s), which is not feasible or economical to reallocate, after payment of outstanding Notice and Administration Expenses, Taxes, and attorneys' fees and expenses, if any, shall be donated as follows: 50% of the unclaimed balance to the Pennsylvania Interest on Lawyers Trust Account Board and 50% of the unclaimed balance to the Consumer Federation of America, a private, non-profit, non-sectarian 501(c)(3) organization, or as otherwise approved by the Court.
- Payment pursuant to the Plan of Allocation or such other plan as may be approved by the Court shall be conclusive against all Claimants. No person shall have any claim against Lead Plaintiffs, Plaintiffs' Counsel, their damages expert, the Claims Administrator, or other agent designated by Plaintiffs' Counsel, arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Lead Plaintiffs, Defendants, their respective counsel, and all other Released Parties shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation or the determination, administration, calculation, or payment of any Claim Form or non-performance of the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund or any losses incurred in connection therewith.
- 76. Each Claimant is deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its claim.
